

Dermalogica Facial Treatments

Dermalogica Prescriptive Skin

Treatment Facial £50

Our Dermalogica prescriptive skin treatment is customised to suit your skin's needs. We are able to determine the right products and the type of facial for your skin by carrying out a thorough zone by zone face mapping® skin analysis.

Dermalogica Touch Treatments

To enhance your facial treatment experience we can add on the following relaxing Dermalogica Touch Therapies for an extra charge.

Stress Relief Scalp Touch Therapy £15

Stress Relief Back Touch Therapy £15

Foot Reflex Touch Therapy £15

Stress Relief Hand & Arm Touch Therapy £15

Advanced Facial Treatments

If your skin needs an extra boost then try one of our advanced facial treatments. These treatments use techniques devised to assist with deeper cleansing and nourishment of the skin helping to achieve a better skin condition.

Nourish and Replenish Facial £50

This facial incorporates the techniques of Desincrustation to achieve a deep cleansing of your skin and Iontophoresis which helps the products penetrate deeper into your skin.

Revive and Revitalise Facial £55

This facial follows the same format and has the same benefits as the Nourish and Repair but uses the Microcurrent techniques to help to assist with the reduction of fine lines and helps to tone your muscles.

Course of 6 treatments £275

Course of 12 treatments £550

To achieve the best results it is recommended that a course of 12 treatments with an average of 3 facials per week is booked with one monthly maintenance treatment thereafter.

Dermalogica Body Treatments

These treatments are an ideal way to de-stress or prepare your body for your holiday or a special occasion.

Purifying Back Treatment £30

This treatment commences with deep cleansing and exfoliation of the back and shoulders removing excess oil congestion and impurities. We then apply a masque to your back which assists to clear your skin of impurities and leaving your skin refreshed and invigorated. The treatment ends with an application of a soothing moisturiser.

Purifying Back Treatment with Massage £55

We start our treatment with a thorough deep cleansing, dry brushing, and exfoliation of your back and shoulders. This is then followed with a relaxing and de-stressing back, neck and shoulder massage using a blend of pre-blended aromatic oils. We then apply a masque to your back which assists to clear your skin of impurities and leaving your skin refreshed and invigorated. The treatment ends with an application of a soothing moisturiser.

Mineral Salt Scrub Therapy £35

This is an intense body treatment which we can customise to assist to alleviate stress or to re-energise. This lovely treatment uses a combination of Dermalogica's mineral Dead Sea Salts and seaweed customised with pre-blended essential oils which exfoliate your skin leaving it feeling smooth and polished. This treatment is great for the whole body and works well to help to soften the rough skin on your knees, elbows and heels.

Don't forget...

Massage Treatments*

Swedish Massage:

(using pre-blended aromatic essential oils)

Neck and shoulder £18

Back neck and shoulder £29

Back and leg £38

Full body £51

Velvet Well-Being Massage £60

For sheer bliss and indulgence try our Velvet well-being massage. We begin our soothing and restorative massage by gently cleansing your feet with a tea tree and grapefruit extract foot cleanse. Your body is then lightly brushed before being massaged with pre-blended aromatic oils on your body, face and scalp. We will tailor this massage to suit your individual needs.

Velvet Well-Being Back Massage £35

This blissful massage concentrates solely on your back and shoulders and is designed to soothe tension and restore well-being. We begin our soothing back massage by lightly brushing and gently cleansing your back. Your body is then massaged using pre-blended aromatic oils onto your back, shoulders and scalp.

LaStone Hot and Cold Stone Massage

Stone therapy massage has been used for many years as an aid to relaxing and cleansing the body. This truly soothing and relaxing treatment combines warm oils and massage with water heated volcanic basalt stones and cold marble stones. It is an effective form of massage with one stroke of a heated basalt stone being equivalent to 5 manual massage strokes. We use only genuine LA stones in our hot and cold stone treatments.

LaStone Full Body £61

This treatment focus on the whole body from head to toe and assists to improve circulation and relax your muscles. This treatment has been designed to soothe your stresses and tension and increase your well being.

LaStone Back & Shoulder Massage £35

Our relaxing back massage begins with a ritual LaStone back and shoulder massage. This lovely massage has been designed to release stress and tension from your back, and shoulder muscles and increase well-being.

*Please note for our male clients, we can only offer back, neck and shoulder massage treatments. These treatments are not suitable for clients who are pregnant but please see our section Mums to Be and New Mums for our range of specialised pregnancy treatments.

Gel Nails - OPI

Gelcolor from OPI is for both hands and toes. It dries instantly to a high shine under a LED light. Can stay chip free for up to two weeks, depending on the condition of your nails and how you use your hands. We have an extensive and exciting range of gel colours suitable for every mood and every occasion.

Gelcolor Manicure **£29**

Our gelcolor manicure uses OPI nail products. We will shape your nails and tidy your cuticles and apply an OPI gelcolor of your choice and finish with cuticle oil and hand lotion.

Gelcolor Pedicure **£34**

Our gelcolor pedicure uses OPI nail products. We will shape your toenails; tidy your cuticles, exfoliate and moisturise your feet applying an OPI gel colour of your choice.

Gelcolor Manicure (inc soak off) **£34**

This gelcolor manicure follows the same format as the Gelcolor Manicure, beginning by soaking off your existing gel polish.

Gelcolor Pedicure (inc soak off) **£39**

This gelcolor pedicure follows the same format as the Gelcolor pedicure, beginning by soaking off your existing gel polish.

Gelcolor soak off only **£11**

Manicure and Pedicure - OPI

A regular manicure and pedicure helps to keep your nails tidy and improve their appearance. The treatment will include cleansing and exfoliation which helps to keep your hands and feet feeling soft and smooth.

File & Polish **£17**

Classic Manicure **£29**

Our Classic manicure uses OPI nail products which help to soothe and hydrate your hands. We will soak your hands, shape your nails and tidy your cuticles. We exfoliate your hands with a gentle scrub followed by a soothing hand massage. We end our manicure with an application of an OPI polish of your choice.

File & Polish* **£17**

Classic Pedicure* **£34**

Our Classic pedicure uses OPI products which help to soothe and nourish your feet. We will begin by soaking your feet in our foot bath. We shape your toenails; tidy your cuticles and exfoliate your feet. You will then be treated to a refreshing foot massage with a suitable foot lotion. We end our pedicure with an application of an OPI polish of your choice.

*Please bring flip flops

Nail Treatments from Naitiques

Naitiques are innovators in the nail care industry. Their specialised and unique product range help to promote the natural nail growth, nail strength and encourage moisture retention. The treatments are a fusion of rich natural ingredients including aloe vera, jojoba and avocado. Fantastic if you just want a nail maintenance programme or if you perhaps need to address specific problems such as nails which are inclined to flake, break, peel or split.

Naitiques Treatment Luxury Manicure £36

This is a prescriptive manicure using Naitiques products to address your individual nail concerns whilst nourishing your hands and nails. This lovely manicure will tidy your cuticles and shape your nails. After a gentle massage your hands will be warmed in our heated mittens. Your treatment manicure is finished with a Naitiques nail protein formula and polish if required.

Electrolysis

Electrolysis is a safe method of removing unwanted hairs, which can be used on the face, chin, upper lip, stomach, breasts, eyebrows, underarm and bikini line.

15 mins	£14
10 x 15 mins sessions (paid in advance)	£123

Waxing

Our experienced therapists try to make your waxing experience with us as comfortable as possible. We carry out all traditional body waxing as well as specialist intimate waxing. All our waxing treatments are finished with aftercare products to soothe the skin.

Half leg	£18
3/4 leg	£23
Full leg	£30
Full leg and bikini	£42
Arm	£19
Under arm	£10
Eyebrow shape	£11
Lip	£9
Lip and chin	£11
Back	£29
Chest	£29
Bikini	From £12

(only the sides outside of your underwear are waxed)

Intimate Waxing

For maximum comfort we use only hot peel-able wax (non-strip wax) for all our intimate waxing treatments. This type of wax causes much less irritation as the wax shrink-wraps itself to the hair and not the skin. Unlike some salons our Brazilian and Hollywood waxing is the “Full Monty” as our treatment includes all hair removed from the undercarriage and behind. If you are new to intimate waxing our experienced therapists will guide you through the process respectfully.

Brazilian **£35**

All pubic hair removed (including inside the bottom area) leaving a landing strip at the front.

Hollywood **£35**

All pubic hair removed (including the inside bottom area).

Maintenance Brazilian/Hollywood **£30**

(must be within 6-8 weeks of last Brazilian / Hollywood wax).

Sunless Spray Tanning*

We use Unreal spray tanning solutions which come in various shades and each develop to a lovely golden tan in 8-10 hours. We also offer a rapid tan which develops in just 2-4 hours. All Unreal tanning solutions are natural based, non-sticky and contain no alcohols, parabens, artificial fragrances or colourants.

Half Body Spray Tan **£14**

Full Body Spray Tan **£26**

It is important that prior to having a spray tan you have exfoliated and shaved 24 hours prior to treatment. Do not use deodorant; make up, perfume, body oils, creams or moisturizer on the day of your treatment as these could react with the tanning agents. Please wear loose dark clothing (NO leggings) and flip-flops.

*24 -48 hour patch test required prior to any spray tanning treatment

Eye Treatments

Eyebrow Shape £11

Eyebrow Tint* £9

Eyelash Tint* £16

Eye Trio* £36

(Eyelash tint, eyebrow tint, eyebrow shape)

LVL Lash Lift Treatment* £50

LVL Lash Lift is the original lash lift which gives you longer looking lashes without the need for lash extensions. Lash lift will add length, volume and give a lift to your natural lashes. It is a low maintenance treatment and you could enjoy your new lash lift for up to 6 weeks!

HD BROWS* £35

HD Brows is a unique treatment for the ultimate well-groomed, high definition eyebrows. The HD Brows procedure of tinting, waxing, threading and plucking your eyebrows helps to transform the way you look and more importantly, how you feel.

Eyelash Extensions

We use eyelash extensions from one of the UK's leading suppliers; Lash Perfect. Lash Perfect semi-permanent eyelashes enhance your natural lashes by adhering a synthetic individual eyelash to each natural eyelash. Light, comfortable, natural and available in various lengths and thicknesses, Lash Perfect eyelashes are made of the highest quality materials.

Full Set* £60

Lash Infill* £30

Your extensions will fall out with your natural lashes as part of the lash cycle. We recommend maintenance every 2 to 3 weeks to maintain your extensions perfectly.

Lash Removal* £10

Party Lashes* £15

Individual clusters of lashes applied closely to the lash line which last 3-5 days.
